

Education for Care Homes

Would your care home like to learn more about palliative and end-of-life care? Overgate Hospice is a centre of excellence for palliative care and our Education Team would love to share our knowledge, experience, research, and insights with your care home to ensure the very best care for residents facing the end of their lives, at no cost to you. Our free sessions include:

Communication Skills

Mouth Care

Recognising Dying

Palliative Care Overview

Syringe Drivers

Advance Care Planning

Verification of Death (For Registered Nurses)

We also offer bespoke training on any topics regarding palliative care you would like to know more about.

For more information, or to book a training session, contact the Overgate Hospice Education Team on **01422 379151** or email us at **education@overgatehospice.nhs.uk**

Registered Charity No. 511619

We look forward to working with you!
